SAVE THIS MANUAL

Keep this manual for the safety warnings and precautions, assembly, operating, inspection, maintenance and cleaning procedures. Write the product's serial number where indicated (or month and year of purchase if product has no number). Keep this manual and the receipt in a safe and dry place for future reference.

IMPORTANT SAFETY INFORMATION

In this manual, on the labeling, and all other information provided with this product:

This is the safety alert symbol. It is used to alert you to potential personal injury hazards. Obey all safety messages that follow this symbol to avoid possible injury or death.

DANGER

DANGER indicates a hazardous situation which, if not avoided, will result in death or serious injury.

WARNING

WARNING indicates a hazardous situation which, if not avoided, could result in death or serious injury.

CAUTION

CAUTION, used with the safety alert symbol, indicates a hazardous situation which, if not avoided, could result in minor or moderate injury.

NOTICE

NOTICE is used to address practices not related to personal injury.

CAUTION

CAUTION, without the safety alert symbol, is used to address practices not related to personal injury.

Assembly Precautions

1. Assemble only according to these instructions. Improper assembly can create hazards.
2. Wear ANSI-approved safety goggles and heavy-duty work gloves during assembly.
3. Keep assembly area clean and well lit.
4. Keep bystanders out of the area during assembly.
5. Do not assemble when tired or when under the influence of drugs or medication.

Hose Reel Cart Safety Warnings

1. Keep clear of reel when operating.
2. The brass components of this product contain lead, a chemical known to the State of California to cause birth defects (or other reproductive harm). (California Health & Safety code § 25249.5, et seq.)
3. Do not use with ½" hose longer than 250 ft., or 5/8" hose longer than 200 ft.
4. Inspect before every use; do not use if parts are loose or damaged.
5. Operate on a flat and level surface.

6. Use only as intended. Use for cool, clear water only.
7. This product is not a toy. Keep out of reach of children.
8. Maintain labels and nameplates on the Hose Reel Cart. These carry important safety information. If unreadable or missing, contact Harbor Freight Tools for a replacement.
9. The warnings, precautions, and instructions discussed in this instruction manual cannot cover all possible conditions and situations that may occur. It must be understood by the operator that common sense and caution are factors which cannot be built into this product, but must be supplied by the operator.

**SAVE THESE
INSTRUCTIONS.**

SPECIFICATIONS

Capacity	Holds up to 250 ft. of ½" garden hose or 200 ft. of ⅝" garden hose
----------	--

UNPACKING

When unpacking, make sure that the item is intact and undamaged. If any parts are missing or broken, please call Harbor Freight Tools at the number shown on the cover of this manual as soon as possible.

INSTRUCTIONS FOR PUTTING INTO USE

Read the **ENTIRE IMPORTANT SAFETY INFORMATION** section at the beginning of this manual including all text under subheadings therein before set up or use of this product.

Additional Assembly Tips

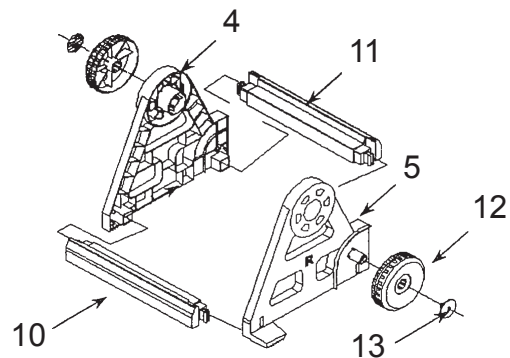

1. All pieces snap together permanently. Read through instructions, lay out pieces BEFORE snapping parts together, and assemble in order as listed.
2. Right and left parts are different from each other and must be assembled correctly for reel to work properly. Side Handles (2) and (3), and Side Stands (5) and (6), are marked on the outside with an "R" for RIGHT and an "L" for LEFT.
3. RIGHT Side Reel (6) has a rectangular hole in the middle and six slots to insert Reel Cross Bars (9).
4. LEFT Side Reel has a round hole in the center, six slots to insert Reel

Cross Bars (9), and one more slot to insert Hose Connector (15).

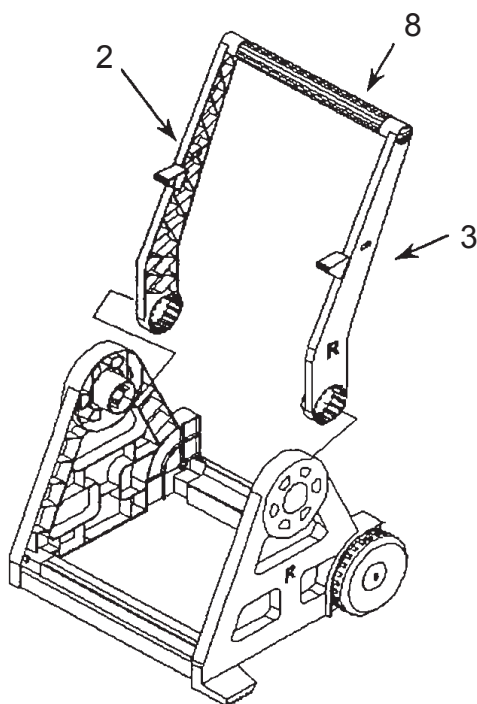

5. Front Base (10) has "FRONT" imprinted on the top and the Back Base (11) has "BACK" imprinted on the top.

Assembly

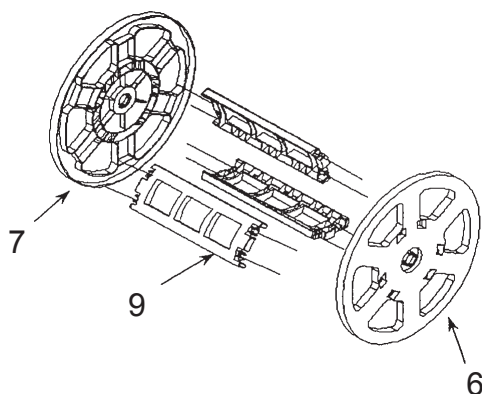

1. Identify all pieces before assembly.

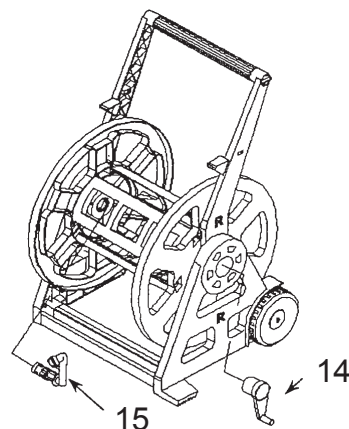

2. Snap Left (4) and Right (5) Side Stand pieces onto Front (10) and Back (11) Base pieces. Slide Wheels (12) onto posts on outside lower section of Left and Right Side Stands and snap in place. Snap Wheel Covers (13) onto Wheels (12).

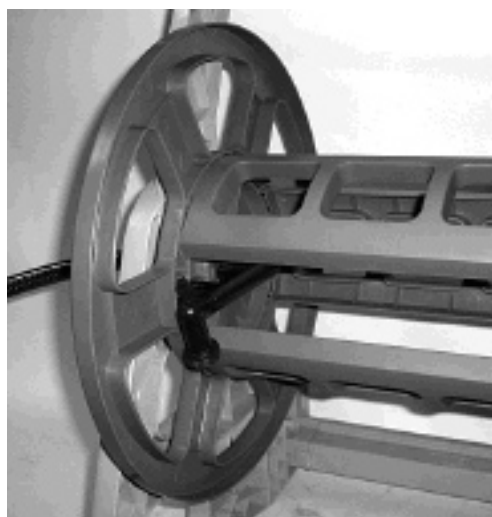

3. Snap Handle Cross Bar (8) onto smaller ends of Left (2) and Right (3) Side Handles. Slide holes at other end of Side Handles over hollow posts on upper inner sides of Left and Right Side Stands.

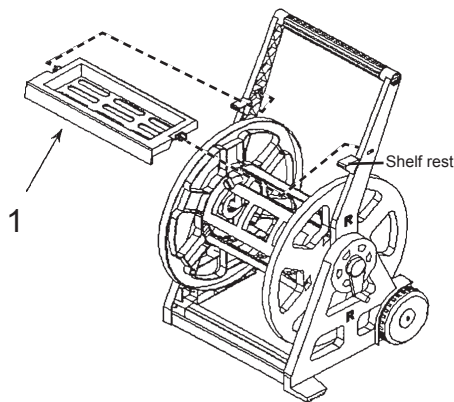

4. Snap the three Reel Cross Bars (9) into slots on Side Reels (6) and (7). There will be one remaining slot for the Hose Connector (15) on the Left Side Reel.

5. Place assembled Reel (6), (7) and (9) between Side Stands so that the Left Side Reel is on left side. Slide Crank Handle (14) into Right Side Stand (5) from the outside and into rectangular hole in Right Side Reel, snapping the part in place.

6. Insert Hose Connector (15) through center of Left Side Reel (7) and Left Side Stand (4) from the inside, and snap into remaining slot on inside of Left Side Reel (7) as shown in photo .

7. Snap Shelf (1) onto hollow posts on lower inside of Left (2) and Right (3) Side Handles. Shelf will rest flush on top of shelf rests on front of Side Handles.

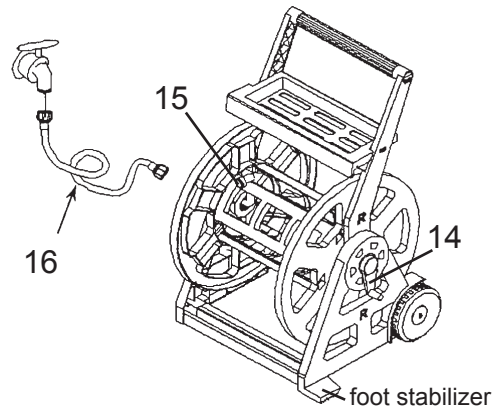

OPERATING INSTRUCTIONS

Read the **ENTIRE IMPORTANT SAFETY INFORMATION** section at the beginning of this manual including all text under subheadings therein before set up or use of this product.

Tool Set Up

Note: Locate Hose Cart on a level surface, less than 4 ft. from water spigot.

1. Connect one end of Leader Hose (16) to wall spigot and other end to Leader Hose Connector (15) on outside of Left Side Reel (7).
2. Connect hose (sold separately) to Hose Connector (15) on inside of Left Side Reel (7).
3. Position your foot on foot stabilizer and turn Crank Handle (14) clockwise to roll hose around Reel.

General Operating Instructions

1. Pull hose end to unreel length needed to reach watering location.
2. Turn on spigot.
3. When watering is finished, turn off spigot, place your foot on foot stabilizer, and turn Crank Handle clockwise to roll hose around Reel, while guiding it in place with your free hand.
4. Untangle any kinks in hose as you roll it onto Reel.
5. Store gardening accessories (sold separately) on Shelf.

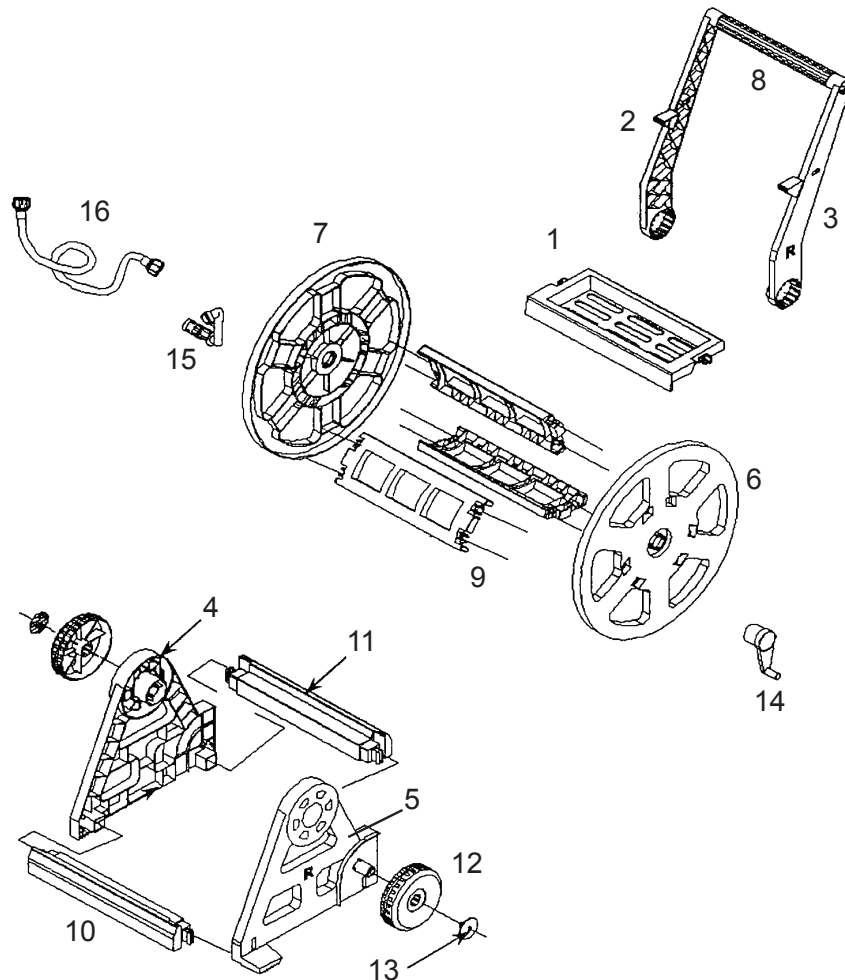

MAINTENANCE

1. BEFORE EACH USE, inspect the general condition of hose and cart. Check for misalignment of moving parts, cracked or broken parts, and any other condition that may affect its safe operation.
2. Periodically wash off any dirt or debris collected on the hose or moving parts of the Reel so Reel continues to operate smoothly.
3. Replace cracked or broken hose.
